EXECUTIVE PROFILE

International education and EdTech leader with 17+ years of experience spanning international student programs, institutional partnerships, EdTech product strategy, SaaS implementation, curriculum innovation, and operational transformation. Proven record of scaling learning solutions across schools, leading multidisciplinary teams, and designing measurable educational outcomes.
Currently directing international education initiatives at ASTRA EDU LLP, with a focus on global exposure, student development, and school engagement.

LEADERSHIP CAPABILITIES

International Education Programs | School and Institutional Partnerships | Business Development | Program Strategy and Delivery | EdTech and LMS Products | Cross-functional Leadership | Curriculum and Assessment | Operational Excellence | Stakeholder Engagement | KPI and CRM Management

PROFESSIONAL EXPERIENCE

Program Director | ASTRA EDU LLP (Alliance for Space Training, Research, and Advancement) Aug 2025 to Present

- Lead planning and delivery of international experiential education programs connecting school students with global academic, scientific, and leadership opportunities.
- Direct school engagement and program coordination for the International Space Development Conference (ISDC) 2027, including space settlement design training, submission support, and US educational travel planning.
- Oversee a structured 20-session, 50+ hour student development program with mentor feedback, assessments, project reviews, and oral and poster presentation tracks.
- Coordinate institutional outreach, parent communications, student onboarding, and overseas travel and visa facilitation processes with partner stakeholders.
- Support the India Young Leaders Model United Nations (iYLMUN) initiative through school partnerships, blended learning delivery, and national and international program planning.

Leadership Consultant, Head | Evobi Automations Pvt. Ltd., Bengaluru Aug 2022 to Dec 2024

- Automated core workflows, reducing employee time by 57% and improving operational efficiency by 40%.
- Led training needs analysis and leadership development initiatives, improving team efficiency by 170% with a 1.2% cost increase.
- Developed NEP 2020 and SDG-aligned K-12 and engineering curricula, producing 200+ hours of robotics, AI, and ML video content with impact assessments.
- Led robotics hardware and SaaS product launches from concept to market, integrating LMS solutions across K-12, higher education, and Centres of Excellence.
- Implemented Zoho CRM and inventory workflows, generating 700+ leads with a 5% conversion rate.

Consultant, Lead Developer | Hackberry Kids, Mumbai Feb 2020 to Oct 2022

- Rolled out a SaaS-based LMS to 30+ schools, supporting 500 teachers and 6,000 students.
- Designed 75+ hours of inclusive coding curriculum, assessments, and learning analytics; applied A/B testing to improve engagement.
- Led Scrum and design thinking training and established STEM curriculum publishing collaborations.

Program Lead | Leo & Mike, Hyderabad Feb 2019 to May 2020

- Maintained a customer NPS of 65 through segmentation and B2B/B2C journey mapping.
- Led multidisciplinary teams and mentored 60 fellows in a three-month national fellowship.
- Launched STEAM programs and makerspaces; collaborated on curriculum initiatives with Telangana Government and T-Works.

Project Manager | Thinklabs Technosolutions Pvt. Ltd., Mumbai Mar 2012 to Oct 2018

- Led product R&D, operations, training, and delivery for hands-on STEM programs across 75+ schools, reaching 250 teachers and 35,000 students.
- Built CRM reporting and assessment systems; developed 100+ hands-on STEM activities and supported national student competitions.

- Improved sales and training coordination through workflow automation while sustaining zero team attrition for 2.5 years.

Senior Executive, Research and Development | Mexus Education Pvt. Ltd., Mumbai Apr 2011 to Mar 2012

- Designed STEM modules and DIY learning resources; supported national science competition finals at IIT.

Lecturer | ICLES Motilal Jhunjhunwala College, Mumbai Aug 2009 to Mar 2011

- Taught and facilitated practical learning for 370+ undergraduate students.
